

I am resurrecting the Image of the Month series and shall promise to try to keep to a monthly schedule. I actually have November almost ready! As usual, thanks to Mark Roffer, our EM web consultant!

October's image of the Month is from Jim Suozzi and a patient he saw in Uganda. I think I speak for all us for thanking Jim for images 1 and 2. Image 3 might be more than we needed!!

James C. Suozzi, D.O., NREMT-P  
Emergency Medical Services Fellow  
Hartford Hospital  
Department of Emergency Medicine
